CULTIVATED TURF £2.70 + VAT per m²

Turf Dimensions:

Standard Roll: 610mm x 1640mm (24" x 64.5") = 1 sq metre

How much turf should you order?

1. Draw a plan of the area you want to turf.
2. Draw rectangles over your plan (They should not overlap) do this even if your lawn is circular or oval shape.
3. Whilst standing in the area due to be turfed, mark out the corners of lawn, and adapt the rectangles as closely as possible to the shape of the lawn.
4. Measure and record on you plan, the lengths and of all your rectangles.
5. Calculate the area of each rectangle: Length x width = area.
6. Add the areas of all rectangles. This is approximately the amount of turf you will need
7. Add 5% extra for shaping, cutting, waste etc..

IMPORTANT NOTICE

TURF MUST BE ROLLED OUT WITHIN 24 HOURS (MAXIMUM) IN THE AUTUMN/WINTER AND 12 HOURS (MAXIMUM) IN THE SPRING/SUMMER.

Helpful Hint

To ease around flowerbeds or shaped lawn areas and minimise wastage cut the roll lengthways using a saw, half moon, knife or edging shears. This will produce two workable 300mm (12") wide strips, giving you extra flexibility and minimal waste where added movement is needed.

Returns, Cancellation and refund policy

Cancellation of Turf orders

Orders can be cancelled up to 5pm two working days before the day selected by a customer for delivery. If orders are cancelled, the turf and products ordered will not be despatched to the customer and Chinnor Turf and Paving Company Ltd will refund the customer for the order price paid in full, less an administration charge of 5%. If a customer wished to cancel an order before the day and time agreed for delivery but with less than two working days' notice, Chinnor Turf and Paving Company Ltd will prevent delivery of turf or other products to the customer. A refund will be made to the customer but less any costs incurred by Chinnor Turf and Paving Company Ltd in trying to satisfy the customer's order prior to cancellation. Turf received by the customer as ordered in good condition cannot be returned by the customer to Chinnor Turf and Paving Company Ltd for a refund. This is because the short "shelf life" of turf would make the product unsuitable for resale by Chinnor Turf and Paving Company Ltd.
